

113 partner organizations in 18 countries, November 19th, 2013

Argentina, Australia, Austria, Canada, China, Finland, France, Germany, Japan, Mexico, Netherlands, Singapore, Spain, South Africa, Sweden, Switzerland, United Kingdom, United States.

American Association for Cancer Research (US)
American Society of Clinical Oncology (US)
American Society of Human Genetics (US)
Association for Molecular Pathology (US)
A-T Children's Project (US)
BBMRI-NL (NL)
Beth Israel Deaconess Medical Center (US)
BGI-Shenzhen (CN)
Boston Children's Hospital (US)
Brigham and Women's Hospital (US)
Broad Institute of MIT and Harvard (US)
California Institute of Technology (US)
Canada Health Infoway (CA)
Canadian Cancer Society (CA)
Canadian Institutes for Health Research (CA)
Cancer Commons (US)
Cancer Research UK (UK)
Center for Genomic Regulation (ES)
Center for Personalized Cancer Treatment (NL)
Centre for Comparative Genomics, Murdoch University (AU)
Centre for the Advancement of Sustainable Medical Innovation (UK)
Centro Nacional de Analisis Genomico (ES)
Chinese Academy of Sciences (CN)
Coalition of Heritable Disorders of Connective Tissue (US)
Community Oncology Research Consortium (US)
Dahlem Center for Genome Research and Medical Systems Biology, Max Planck Institute (DE)
Dana-Farber Cancer Institute (US)
Duke Health System (US)
ELIXIR (UK)
EMBL- European Bioinformatics Institute (UK)
European Molecular Biology Laboratory (DE)
European Society of Human Genetics (AT)
The Functional Genomics Data Society (US)
Garvan Institute of Medical Research (AU)
Genetic Alliance (US)
Genetic Alliance UK (UK)
Genome Canada (CA)
Genome Institute of Singapore (SG)
Global Genes | RARE Project (US)
H3ABioNet Consortium (ZA)
Harvard University (US)

The Hospital for Sick Children (CA)
Howard Hughes Medical Institute (US)
Human Genome Organization (SG)
Human Variome Project International (AU)
Huntington Society of Canada (CA)
Institut National du Cancer (FR)
Institute of Oncology “Angel H. Roffo” Buenos Aries (AR)
Institute for Systems Biology (US)
Intermountain Healthcare (US)
International Cancer Genome Consortium (CA)
International Collaboration for Clinical Genomics (US)
International Rare Diseases Research Consortium (FR)
Johns Hopkins University School of Medicine (US)
King’s Health Partners (UK)
Knight Cancer Institute, Oregon Health & Sciences University (US)
Lund University (SE)
Massachusetts Eye and Ear Infirmary (US)
Massachusetts General Hospital (US)
McGill University/Université McGill (CA)
McLaughlin Centre, Faculty of Medicine, University of Toronto (CA)
Melbourne Genomic Health Alliance (AU)
Memorial Sloan-Kettering Cancer Center (US)
National Cancer Center (JP)
National Cancer Institute (US)
National Health and Medical Research Council (AU)
National Human Genome Research Institute (US)
National Institute of Genomic Medicine (MX)
National Institute for Health and Welfare (FI)
National Institute for Health Research (UK)
National Institutes of Health (US)
New York Genome Center (US)
O’Neill Institute for National and Global Health Law at Georgetown University (US)
Ontario Brain Institute (CA)
Ontario Institute for Cancer Research (CA)
Ontario Personalized Medicine Network (CA)
Osaka University, Graduate School of Medicine (JP)
Partners HealthCare (US)
P3G – Public Population Project in Genomics and Society (CA)
PHG Foundation (UK)
PXE International (US)
Queen's University Belfast (UK)
RD-Connect (UK)
RIKEN Center for Integrative Medical Sciences (JP)
Sage Bionetworks (US)
Samuel Lunenfeld Research Institute, Mount Sinai Hospital (CA)
Simons Foundation (US)
Sleep Research Society (US)
Spanish Institute of Bioinformatics (ES)
Spanish National Cancer Research Center (ES)
St. Jude Children’s Research Hospital (US)
Stanford University (US)
Sunnybrook Health Sciences Centre (CA)
SIB-Swiss Institute of Bioinformatics (CH)
Translational Oncology at the University Medical Center, Johannes Gutenberg University (DE)
University Health Network (CA)
University of California, Berkeley (US)
University of California Health System (US)
University of California, Los Angeles, Health Sciences (US)
University of California, San Francisco (US)
University of California, Santa Cruz (US)
University of Cape Town (ZA)
University of Chicago (US)
University of Michigan (US)
University of Oxford (UK)

University of Texas M.D. Anderson Cancer Center (US)
University of Toronto (CA)
University of Washington (US)
University of Waterloo (CA)
Vanderbilt University Medical Center (US)
Weill Cornell Medical College (US)
Wellcome Trust Sanger Institute (UK)
Wellcome Trust (UK)
